- A simple application to plan a road trip using Google Maps and provide weather information.
- In charge of implementing Openweather API and creating weather card with provided CSS
- HTML, JavaScript, CSS, JQuery, Bulma CSS

EXPERIENCE

Hospitality Team Member

2021 – Present

Chick-fil-A

El Paso, TX

Required to be comfortable in a fast-paced environment with good customer relations, critical-thinking, sales transactions, and safe food handling process. As both a hospitality member and a driver for Chick-fil-A, it is crucial to be comfortable with a constant change in environment while being both time-efficient and safety conscious. Also must be well communicative with my team to complete tasks efficiently.

EDUCATION

Program Certificate: Web Development Boot Camp at UT Austin

Graduation Date: July 14, 2022

A 24 week intensive program focused on gaining skills in HTML, CSS, JavaScript, Bootstrap, Express.js, React.js, Node.js, Database Theory, MongoDB, Mongoose, MySQL, Sequelize, Apollo Server, GraphQL, Insomnia, Command Line, Git, and more.

Bachelor's Degree in Biology: New Mexico State University, Las Cruces, NMSU

2019 – 2021
